Important to Know

- Courses not **COMPLETED** by **February 17, 2020**, will not be considered in the course evaluation of this application.
- Students who are offered summer admission must complete Anatomy & Physiology II and PSY 214 prior to beginning nursing courses in May.
- All applicants are expected to review the Nursing website at www.harford.edu/academics/nahp/nursing.aspx for specific requirements and TEAS information prior to submitting the application and meet with an Academic Advisor regularly to review current course, application, and admission requirements.
- Nursing applications will not be processed for review if applicant has a financial, admission/readmission or Dean's hold.
- Acceptance and denial letters are mailed from the Nursing Department approximately six to eight weeks after the deadline.
- Criminal background check and drug screening through a specified vendor will be required of all nursing students. Results could impact clinical attendance, program completion, and eventual licensure as a Registered Nurse. If this is a concern, you can request an appointment with the division dean at 443-412-2229.
