

# DISCOVERING COLLEGE

2016

## A Learning Vacation for Children Entering Grades 4-8

**Session I: July 11 - 22**

**Session II: July 25 - August 5**

**Discovering College** is a two-week program held on the Harford Community College campus. Classes focus on art, academics, and athletics for students who are entering grades 4 - 8. Each session meets Monday through Friday from 9 AM to 4 PM, with drop-off and pick-up at Havre de Grace Hall. **Lunch and most supplies are included.**

### Follow these easy steps to register for Kids on Campus

1. Complete the Course Selection. You must choose classes for both Monday/Wednesday/Friday (M/W/F) (see pages 32, 33 and 34) and Tuesday/Thursday (T/Th) (see pages 34 and 35). Don't forget to write the student's name and the session attending at the top of the each page, where indicated.
2. If you are registering for more than one session, please use one Course Selection Form for each session. You may photocopy the form or call 443-412-2191 for additional forms.
3. Complete the Discovering College Registration form which may be used for multiple sessions. Out-of-County residents pay an additional surcharge of \$20. Out-of-state residents pay an additional surcharge of \$35.

PLEASE MAKE SURE YOUR REGISTRATION IS COMPLETE BY FOLLOWING THIS CHECKLIST:

- Course Selection Form
- Registration Form
- Payment

### **Incomplete registrations will NOT be processed.**

We strive to meet your scheduling needs; however, registrations are processed on a first-come, first-served basis. To avoid disappointment, please register early.

An orientation packet with your child's schedule of classes will be mailed to you. You will receive the orientation packet before the start of camp.

**NEW for Summer 2016:** Submission of Health Information/Parental Waivers will now be submitted confidentially through [CampDoc.com](http://CampDoc.com). See page 39 for details.

STUDENTS INTERESTED IN OUR COUNSELOR IN TRAINING PROGRAM, SEE PAGE 37  
OR CALL 443-412-2191 FOR INFORMATION.

## M/W/F 9:00 - 10:45 AM

Rank from 1 - 5 (1 being your first choice)

- Team Soccer** - Improve your soccer skills while working together with teammates in this fast-paced class. Be sure to bring your shin guards!  
 I: 35005 II: 35046
- Science: To the Extreme** - Whatever you do . . . take it to the EXTREME! Explore the wonders of nature! Get a close look at the food chain, dissect an owl pellet, create natural tie dyes, harness solar power for cooking, and create your own first aid kit.  
 I: 35004 II: 35045
- Ancient Egypt** - Explore an ancient Egyptian's life. Create crafts that mimic Egyptian styles and themes including hieroglyphs and mummies!  
 I: 35001 II: 35042
- Fishing Fun** - Whether you are an experienced fishing fan or just a beginner, join this class to learn more about fishing tackle and how to "catch the big one." Then head for the pond to see who catches the biggest (and smallest) fish! Bring a fishing rod or borrow one of ours.  
 I: 35002 II: 35043

## M/W/F 9:00 - 10:45 AM (cont.)

- Play Production** - Can your class perform a great play by the end of camp? With great individual and team efforts, it can be done! Learn about acting, costumes, make-up, and scenery, while working with your class on a final project.  
 I: 35003 II: 35044

## M/W/F 10:45 AM -12:15 PM

Rank from 1 - 5 (1 being your first choice)

- Capture the Flag** - Play the classic game and see if you can be the one to capture the other team's flag!!  
 I: 35007 II: 35048
- Busted Myths** - Science Fact or Science Fiction? What's your prediction? We will test the stories myths are made of! From Candy and Cola Concoctions to discovering the true color of your blood, together, we'll uncover the science behind these mind boggling myths!  
 I: 35006 II: 35047

## M/W/F 10:45 AM -12:15 PM (cont.)

- Sculpture 3-D** - Do you have a knack for building? Why not put your artistic juices to the test? We will use clay, plaster, wood, and other materials in order to build our own 3-dimensional masterpieces.  
I: 35010 II: 35051
- Fishing Fun** - Whether you are an experienced fisherman or just a beginner, join this class to learn more about fishing tackle and how to "catch the big one." Then head for the pond to see who catches the biggest (and smallest) fish! Bring a fishing rod or borrow one of ours.  
I: 35008 II: 35049
- Recycled Art** - Use found objects and recycled materials to construct temporary and permanent works of art. Learn to redesign, reinvent, and reinterpret preexisting objects to make entirely new pieces!  
I: 35009 II: 35050

## M/W/F 1:00 - 2:30 PM

Rank from 1 - 5 (1 being your first choice)

- Athlete's Challenge** - Work hard in this class to improve your play in any sport or activity that you enjoy! Whether you love lacrosse or soccer, football or ballet, this class will help you to improve your performance. Work on essential sport and fitness components including coordination, strength, power, agility, speed, reaction time, flexibility, and balance.  
I: 35011 II: 35053
- Spy Academy** - Look out 007! Step into the shoes of a detective as you uncover the science involved in evidence gathering and analysis. From message decoding to night vision goggles, learn the tricks that spies use every day.  
I: 35014 II: 35056
- Groovy '60s** - Explore music, fads, and art of the '60s, man!  
I: 35012 II: 35055

## M/W/F 1:00 - 2:30 PM (cont.)

- Swim Games** - Improve your swimming skills and endurance in fun group games. Bring suit, towel, and goggles labeled with your name. Students must be able to swim and will be asked to demonstrate their proficiency at the first class.  
I: 35015 II: 35052
- Food Frenzy** - Do you love art and enjoy tasty treats? Then this class is for you! Combining the creative world of art with the fascination of cooking, we will include all of the wonderful tools, tastes, and recipes to make the perfect artistic dish. This class may not be appropriate for children with food allergies.  
I: 35013 II: 35054

## M/W/F 2:30 - 4:00 PM

Rank from 1 - 5 (1 being your first choice)

- Dodgeball** - A camp classic! Enjoy a little friendly competition and exercise at the same time. Dodgeball is always a favorite.  
I: 35016 II: 35057
- Funky "Fizz"-ics!** - Finally, a fantastic fusion of physics and fizzy formulas! Take a walk on the wild side in this crazy week of sleuth science. Mix it up as we experiment with molecular madness, radical reactions and "fizz"-ical and chemical reactions.  
I: 35019 II: 35060
- Every Day Is Earth Day** - Take a step back to see what our planet does for us and how we can repay the favor by being sure to preserve our Mother Earth. Find out simple steps you can make to help save our planet! Learn everyday ways that you can actually reduce, reuse, and recycle in your life and why it makes a difference.  
I: 35017 II: 35058

## M/W/F 2:30 - 4:00 PM (cont.)

- Summer Swimmers** - Hop in the pool to improve your strokes and play some games! Don't forget your suit, towel, and goggles! Students must be able to swim and will be asked to demonstrate their proficiency at the first class.  
I: 35020      II: 35061

- Food Frenzy** - Do you love art and enjoy tasty treats? Then this class is for you! Combining the creative world of art with the fascination of cooking, we will include all of the wonderful tools, tastes, and recipes to make the perfect artistic dish. This class may not be appropriate for children with food allergies.  
I: 35018      II: 35059

## T/TH 9:00 - 10:45 AM

Rank from 1 - 5 (1 being your first choice)

- Tennis Time** - Enjoy fun, fitness, and new friendships as you learn basic strokes and rules. Bring a labeled tennis racket and water bottle.  
I: 35026      II: 35066
- Gross-ology** - Slimy, snotty, sneezy and smelly . . . Grossology is the scientific study of all that's NOT allowed at the dinner table. Join us for an journey down some of nature's most interesting and disgusting paths!  
I: 35021      II: 35062
- Piñata Fiesta** - In this class you will not only get to design your piñata - you will get to create it as well! Learn how to create your very own piñata to break at your next party. We will get into the spirit by holding a Mexican Fiesta during our last class.  
I: 35025      II: 35065
- HCC Yearbook** - Want to remember your time at camp? Bring a disposable camera to take pictures with your classmates and friends. Then put it all together in a yearbook to keep!  
I: 35022      II: 35063

## T/TH 9:00 - 10:45 AM (cont.)

- Jewelry Design** - Make jewelry that you can wear! Use materials such as beads, yarn, clay, feathers, and more to make any kind of jewelry you can imagine!  
I: 35023      II: 35064

## T/TH 10:45 AM - 12:15 PM

Rank from 1 - 5 (1 being your first choice)

- Lacrosse** - Learn and practice skills and have a great time playing the game. All equipment is provided, so leave your stick at home!  
I: 35032      II: 35071
- Kitchen Chemistry** - Fun and fascinating chemistry concepts such as water polarity, acid and base studies, and "bubbleology."  
I: 35031      II: 35070
- Graffiti Art** - Students will look at various artists and styles associated with graffiti/street art. We will discuss the legalities of creating these works of art on public property. Each student will be able to create a graffiti-style mural on a piece of wallboard using acrylic paint. The students will be able to explore styles and create a logo for their name as well as create stylized images in graffiti. The students will also be able to use this style of art to create images on windows.  
I: 35029      II: 35068
- HCC Times** - Use Microsoft Publisher to create a newspaper or newsletter featuring something important to you. Whether you create a newspaper about the latest scientific developments or a newsletter about your life to share with friends, you will learn how fun it is to communicate your ideas.  
I: 35030      II: 35069
- Cool Crafts** - Make new crafts that you can really use! Work with different materials to make memory boards, picture frames, and much more.  
I: 35028      II: 35067

## T/TH 1:00-2:30 PM

Rank from 1 - 5 (1 being your first choice)

- Base Games** - Batter up! Improve your skills while having a great time. Make sure you have athletic shoes on and come ready to play!  
I: 35033      II: 35072

- Jet Cadet** - It's a bird! It's a plane! No, it's everything from the earliest flying machines to the first rocket flights. We will explore aerodynamics and the world above us. We will even design our own paper airplanes and take them for a test flight!  
I: 35035      II: 35074

- Project Runway: Fashion Forward** - Do you have what it takes to be a fashion designer? If you have an eye for fashion, this is where you belong! Create your very own fashion line. Use your imagination to come up with some cool and crazy looks. On the last day, be sure to put together an original outfit to show off your favorite look for our fashion show! It's all about you!  
I: 35036      II: 35075

- Candy Creations** - Learn to make sweet confections using melting chocolate and candy molds. With chocolate, sugar, peanut butter, & caramel, you will create scrumptious treats to take home. This class may not be appropriate for children with food allergies. (You must wear closed toe shoes to participate in this class.)  
I: 35034      II: 35073

- Harford County Walk About\*** - Travel by College van to some of Harford County's best parks. Investigate natural habitats through field, woods, and stream studies. Be prepared to get dirty and wet.  
I: 35037      II: 35076

\* Harford County Walk-About (Class meets from 1-4 PM.)

## T/TH 2:30 - 4 PM

Rank from 1 - 4 (1 being your first choice)

- Basketball** - Learn the valuable fundamentals necessary for enhancing your ability to play the sport of basketball.  
I: 35038      II: 35077

- What's Up, Doc?** - Put on your surgical gloves and join us for some "Medical Mania." Learn what it takes to be a doctor, veterinarian or even a food scientist as we investigate and solve all sorts of medical mysteries!  
I: 35041      II: 35080

- Weaving** - Create an original weaving using patterns, textures, and various imagery. Combine different fibers including yarn, string, raffia, and fabric.  
I: 35040      II: 35079

- Candy Creations** - Learn to make sweet confections using melting chocolate and candy molds. With chocolate, sugar, peanut butter, & caramel, you will create scrumptious treats to take home. This class may not be appropriate for children with food allergies. (You must wear closed toe shoes to participate in this class.)  
I: 35039      II: 35078

\* Harford County Walk-About (Class meets from 1-4 PM.)
