

# KIDS ON CAMPUS

## A Learning Vacation for Children Entering Grades 1-3

**Session I: July 11 - 22**

**Session II: July 25 - August 5**

**Kids On Campus** is a two-week program held on the Harford Community College campus. Classes focus on art, academics, and athletics for students who are entering grades 1-3. Each session meets Monday through Friday from 9 AM to 4 PM, with drop-off and pick-up at Havre de Grace Hall.

**Lunch and most supplies are included.**

### Follow these easy steps to register for Kids on Campus

1. Complete the Course Selection. You must choose classes for both Monday/Wednesday/Friday (M/W/F) (see pages 28 and 29) and Tuesday/Thursday (T/Th) (see pages 29 and 30). Don't forget to write the student's name and the session attending at the top of the each page, where indicated.
2. If you are registering for more than one session, please use one Course Selection Form for each session. You may photocopy the form or call 443-412-2191 for additional forms.
3. Complete the Kids on Campus Registration form which may be used for multiple sessions. Out-of-County residents pay an additional surcharge of \$20. Out-of-state residents pay an additional surcharge of \$35.

PLEASE MAKE SURE YOUR REGISTRATION IS COMPLETE BY FOLLOWING THIS CHECKLIST:

- Course Selection Form
- Registration Form
- Payment

### **Incomplete registrations will NOT be processed.**

We strive to meet your scheduling needs; however, registrations are processed on a first-come, first-served basis. To avoid disappointment, please register early.

An orientation packet with your child's schedule of classes will be mailed to you. You will receive the orientation packet before the start of camp.

**NEW for Summer 2016:** Submission of Health Information/Parental Waivers will now be submitted confidentially through [CampDoc.com](http://CampDoc.com). See page 39 for details.

STUDENTS INTERESTED IN OUR COUNSELOR IN TRAINING PROGRAM, SEE PAGE 37  
OR CALL 443-412-2191 FOR INFORMATION.

### M/W/F 9:00 - 10:15 AM

Rank from 1 - 4 (1 being your first choice)

- Don't Sit-Stay Fit!** - Exercise to build strength and stamina. Learn about your amazing body and what it does for you.  
 I: 35081                      II: 35113
- It's Easy Being "Green"** - Take a step back to see what our planet does for us and how we can repay the favor by being sure to preserve our Mother Earth. Find out simple steps you can make to help save our planet! Learn everyday ways that you can actually reduce, reuse, and recycle in your life and why it makes a difference.  
 I: 35082                      II: 35114
- Mask Makers** - Learn all about the art of mask making. Create masks using a variety of techniques. Decorate them to suit your mood.  
 I: 35084                      II: 35116
- Kids in the Spotlight** - Work with your classmates to learn about scripts and acting. Then don't forget to invite your parents to the play on the last day of class.  
 I: 35083                      II: 35115

### M/W/F 10:15 - 11:45 AM

Rank from 1 - 4 (1 being your first choice)

- Team Players** - Learn to play together with teammates to play a variety of fun, outdoor team games.  
 I: 35088                      II: 35120
- Big Hero 7** - We may not be able to have our own personal healthcare companion like Baymax. But, we can learn the science of what makes that so cool!  
 I: 35085                      II: 35117
- "Bling" It On!** - Let your sparkling creations shine through! Decorate cool stuff to make your very own "bling."  
 I: 35086                      II: 35118
- Endangered Animals** - Find out more about your favorite endangered animals. Learn if there are any endangered animals in your neighborhood.  
 I: 35087                      II: 35119

### M/W/F 1:00 - 2:30 PM

Rank from 1 - 4 (1 being your first choice)

- Make No Bones About It!** - Did you know that your body has over 200 bones? And that without them you wouldn't be able to eat, sleep, play or even stand up? Become a "bone-a fide" expert on your skeletal system.

I: 35091      II: 35123

- Safari Art** - Take a Safari from the comfort of your classroom! Use your imagination to explore your artistic side while also exploring the unknown.

I: 35092      II: 35124

- Freeze Or Get Iced!** - The Ice Queen may have "Frozen" her town, but she melted our hearts with her love. Let's make some *Frozen* inspired crafts and try to stay cool this summer!

I: 35090      II: 35122

- Creepy Crawlers** - Come learn about all the animals you love to hate! We will explore the habits and anatomy of what makes skunks, warthogs, snakes, spiders, and bugs and other animals so ICKY! Be prepared to go on bug hunts and use your creativity to design your own creepy creature. Not for the faint of heart!

I: 35089      II: 35121

### M/W/F 2:30 - 4:00 PM

Rank from 1 - 4 (1 being your first choice)

- Nature Nuts** - Are you interested in the weather? Do you like to learn about the trees, plants, and insects that live outdoors? This class will let you investigate the weather and even use bubbles to study the wind!

I: 35094      II: 35126

- Wildlife Workshop** - Young Tarzans & Janes will have a wild time creating jungle scenes, including animals, in this exciting art class using paper maché, and other materials. No "monkeying" around in this class!

I: 35096      II: 35128

### M/W/F 2:30 - 4:00 PM (cont.)

- Princess Power** - Take a moment to go on a quest for the kingdom. Perhaps you can use your skills to put on a show for the king and queen? Bring your imagination because the options are limitless in this class of fun and fantasy!

I: 35095      II: 35127

- For Superheroes Only!!** - If you had a superpower, what would it be? Explore the world of superheroes and use your imagination to see what kind of superhero you would be! As Bolt discovered, what makes us super lies within!

I: 35093      II: 35125

### T/TH 9:00 - 10:15 AM

Rank from 1 - 4 (1 being your first choice)

- Outdoor Sports** - Have fun and get in shape in this active sports class where you'll play group games and have fun with relays and exercise.

I: 35100      II: 35132

- Explore Fizz, Muck, & Goo** - Have you ever wondered how "slime" holds together? Do you know how bubbles are created? It's gloppy, messy, slimey, and it's science.

I: 35098      II: 35130

- Maché Sculpture** - Don't be afraid to get your hands messy! Dig in the "goo" to create artwork using paper maché and a variety of molds.

I: 35099      II: 35131

- Bead Art** - All kinds of beads for all kinds of projects! Decorative, functional, and wearable beads will be used. Many various colors, shapes, kinds and sizes will be available. Fun for all; no experience necessary.

I: 35097      II: 35129

## T/TH 10:15 - 11:45 AM

Rank from 1 - 4 (1 being your first choice)

- HCC Explorers** - Did you ever wish you could go on an exploration like Dora or Diego? Well, now you can! There is more to Harford Community College than just buildings! Be an explorer in this class and discover the trails, streams, ponds, and more on campus.  
I: 35102      II: 35134

- Eyeballs and Goo - What's Inside of You?!**  
Experiment to find out how our bodies work and how to keep them healthy. Listen to hard working hearts, make models of lungs, learn how the senses work and much more. Discover hidden worlds inside the human body!  
I: 35101      II: 35133

- Ooey Goopy Art** - Get messy making fun art projects using shaving cream, paint, goo, and more!  
I: 35103      II: 35135

- Penguins & Polar Bears** - Brrrrr! Join us in the Arctic where the Polar bears and Penguins play. Enjoy snow cones and maybe even have a "snow shoe" race! Think snow!!  
I: 35104      II: 35136

## T/TH 1:00 - 2:30 PM

Rank from 1 - 4 (1 being your first choice)

- Compu-Art** - Use various types of computer software to create unique works of art. You never knew you could make art like this!  
I: 35105      II: 35137

- Outrageous Organisms** - No talk of Fido or Fifi here! Feast your eyes, ears, and brains on the planet's most unusual and extremely unique plants and animals. Explore how odd organisms are connected to and have adapted to some of the Earth's most radical environments.  
I: 35107      II: 35139

## T/TH 1:00 - 2:30 PM (cont.)

- Edible Art** - Art and food go hand in hand, especially in this imaginative class. Using a variety of grocery store finds, we will create beautiful, yet perishable works of art. Jelly bean mosaics and fruity self-portraits will be produced. This class may not be appropriate for children with food allergies.  
I: 35106      II: 35138

- Wild, Wild, West!** - Mosey on in and gather 'round the table for a taste of the old west! Bring your bandanas and get ready for a rowdy good time!  
I: 35108      II: 35140

## T/TH 2:30 - 4:00 PM

Rank from 1 - 4 (1 being your first choice)

- Create on the Computer** - Create unique greeting cards, posters or invitations. Use the computer to expand your creativity.  
I: 35109      II: 35141

- Pets & Vets** - Do you love animals? Ever dreamed of becoming a vet? Whether you want to learn more about animal behaviors, get tips on teaching tricks, or just become a responsible pet owner, this class is for you!  
I: 35112      II: 35144

- Organic Art** - Going green is natural! Use your imagination and the nature around you to create amazing and unique works of art.  
I: 35111      II: 35143

- Dog-Gone FUN!** - Come learn more about your dog! Ever think your dog is going to come right out and talk? Well, learn more about what he or she is saying by saying nothing at all.  
I: 35110      II: 35142
