

Counselor-in-Training

Being a summer camp counselor is rewarding on many levels, but it also comes with a great deal of responsibility.

To better prepare yourself, join us this summer for our Counselor-in-Training program.

You will be partnered with an experienced counselor to learn the necessary skills to become a leader while having fun in the process.

CITs will be trained in the following areas:

- How to work with campers of multiple ages
- Gain best practices in effective communication (campers and adults)
- How to conduct yourself in a business environment and other soft skills such as applying for jobs and the interview process.
- All CITs will receive certifications in CPR and First Aid.

Each CIT will be expected to dress and act appropriately. This is a job preparation program and will be conducted as such. There is a mandatory information session and training for all approved applicants on May 24. Parents are encouraged to attend.

Applications are due by **May 1, 2018**. Please send to Leanna Gefrich, Coordinator for Youth Programs, Harford Community College, 401 Thomas Run Road, Bel Air, MD 21015. Applicants will be notified by May 15 if they are accepted into the program.
